To Whom It May Concern:

Our company has had the pleasure of doing business with **Newborn Construction Kft.** for last 2 years. They have always operated in a professional and ethical manner and have successfully completed many affordable projects over that period of time. These projects are;

- Rebar works of Danubio Project
- Rebar works of BUD Airport Cargo Project
- Rebar and formwork for MOL Polyol Project (continues)

They come highly recommended by Contractors and Construction Managers. I am very pleased to offer the highest possible recommendation for Newborn Construction as an excellent subcontractor.

Sincerely,

Synergy
